

Holly Hill Middle School

A photograph of the exterior of Holly Hill Middle School. The building is constructed of dark brown bricks. The school's name is mounted on the wall in large, gold-colored, three-dimensional letters. A single rectangular light fixture is visible on the upper right portion of the brick wall. In the foreground, there are two rows of dense, green, well-manicured bushes. The top left corner of the image shows a clear sky and some distant trees. The bottom left corner shows the front of a light blue car.
